On arrival, your guests will be shown through to the main reception room. After a brief meeting with the attending Registrar, you will join them for the ceremony. Once the formalities are complete and the register has been signed, you may wish to wander out onto the garden terrace and lawn. The Main House and gardens provide an ideal location for your wedding day photographs.

Once we have settled upon a mutually agreeable date, we agree to provisionally hold your booking for seven working days. This will allow you time to contact the local Registrar and ascertain their availability for the agreed date. We will then confirm your booking in writing and request a deposit, payable within fourteen working days. Please note that all legal formalities are dealt with directly by the Registrar. **Tel:** 01225 477234.

Bath is a popular destination for overseas tourists and those escaping from London for a weekend break in the country. It is therefore advisable to make any reservations for bedrooms as soon as possible after confirming the date of your wedding.
