

THE BATH PRIORY

HOTEL RESTAURANT SPA

CONFERENCE ROOMS

We have three main conference rooms that may be used individually for smaller more intimate meetings or when opened out to form one large room capable of seating 64 delegates. The conference rooms face south, with natural daylight and overlook the landscaped gardens. The largest of our three rooms has its own balcony, with direct access onto the garden terrace.

Our conference rooms at The Bath Priory are fully equipped with Internet access, offering the choice of standard dial-up, Ethernet or Wireless connectivity and a fast Broadband connection to the outside world.
