INTRODUCTION

Wine is one of the great enigmas of the modern world. So much is written about wine and its related topics that one could be forgiven for being confused by it all.

Here at The Bath Priory, we are committed to making your stay with us as enjoyable and stress free as possible.

With this in mind, we have created a special wine list for you. On the following pages, you will find in the region of 500 different wines from practically all sections of the globe.

For those who feel less inclined, there is an extensive range of half bottles, covering a range of different styles of wine, and a selection of some 15 wines available by the glass.

Should you be unable to find your personal favourite, or simply wish to try something new, please do not hesitate to seek the assistance of our restaurant management team who will be only too happy to help.

Louis Roederer Wine Library

Louis Roederer is one of the largest remaining independent champagne houses, which has been owned by the same family since it was founded in 1776. The style of Louis Roederer is built on attention to detail, reflecting the spirit of perfectionism of the house.

We here at the Priory have the pleasure to work closely with Louis Roederer Champagne, and are able to offer a unique collection of styles and vintages which have been stored, since bottling in Louis Roederer's own climate controlled cellars.
