# Curiously Crafting

*Immerse yourself in a uniquely creative experience, exploring the world of natural pigments with Susannah Crook.*

## A NATURAL PIGMENT EXPERIENCE: THE ART OF EARTH'S COLOURS

3 hours

£175

Immerse yourself in a unique experience where nature, art, and creativity converge, led by natural pigment artist Susannah Crook. This bespoke event invites you to explore the beauty of the natural world through foraging, painting, and mindfulness. Your adventure begins in the enchanting garden of The Bath Priory, where Susannah will guide you in foraging for native plants, earth, and blooms.

As you wander, she will share her expertise on the medicinal and artistic properties of the local flora, fauna, and landscape. The day culminates in a private painting session, where you'll learn the ancient art of creating natural pigments from your gathered materials. Susannah will teach you how to transform these pigments into vibrant paints and guide you in capturing nature's beauty on hand-crafted parchment. You'll leave with a one-of-a-kind piece of art — a luxurious keepsake from your day.

Prices shown per person. Subject to availability and a 14-day notice required.
